

In conjunction with the
2005 Leadership Conference
Renaissance Harborplace Hotel
Baltimore, Maryland
16-19 March 2005

EQUIVALENT QUALITY CONTROL WORKSHOP

18 March 2005

8:00 a.m. to 5:30 p.m.

★ **Learn** about the current and future technology of QC.

★ **Experience** contributing to the future of QC.

★ **Network** with colleagues.

(Clinical and Laboratory Standards Institute President's Reception,
17 March at 7:00 p.m.)

★ **Participate** in discussion and breakout groups.

★ **Available** following the meeting: a meeting report,
Clinical and Laboratory Standards Institute consensus
guidelines with QC mechanisms and a plan for future
QC.

Presented by recognized experts, this one-day workshop is intended for technical
and management laboratory personnel, IVD industry representatives and
government staff.

Organizers: AACC, ACLA, AdvaMed, AMT, ASCLS, ASCP, ASM, CDC,
CMS, FDA, CAP, CLMA, COLA, JCAHO and
Clinical and Laboratory Standards Institute (formerly NCCLS)

Come be a part of the Future!
